With over a decade of creative design, brand development, marketing, editorial and business development experience, Anita “AC” Clinton is proof that nothing is impossible to accomplish in life. Despite setbacks, roadblocks and wrong turns along the way, she has pressed forward to fulfill God’s promise for her life. Today, her passion rests in helping others discover, strategize, and execute God’s plan for their lives. She is a transformational leader focused on building relationships and connecting others to their passion and purpose in life.

“Of the many challenges impacting our world today, I am convinced, that Believers have the answers. We are the problem-solvers, created for this moment in time and the world is waiting on the manifestation of our GREATNESS. Not only are we well-equipped to solve the world’s problems – but true happiness and fulfillment in life is found when we connect with God’s original plan for our lives. To put it clearly, we will LOVE what we do! How AWESOME is that?”
